visit.ripoll.cat

We are proposing
an adventure for children and their
relatives, who can enjoy an easy circuit
to discover unusual places of Ripoll in
a fun and friendly way.

INSTRUCTIONS:

- The game consists of decrypting a following riddle
an itinerary with 9 points. At each point you will find
a word that will help you find the solution.
- To solve the riddle, follow the path of tracks and once
you're in the spot, locate the track and write the word
to the inner part of this flyer.
- In the case of detecting any incidence in the route,
please let us know.

Telephone: 972 70 23 51
or email a photo to:
turismeripoll@ajripoll.cat

Distance: 3.56 km circular walk
Estimated duration: 1 hour
Features: urban walk
Risks: the ones of an urban walk.
Traffic trails and junctions has to be
respected with the circulation code.

With the collaboration of:
Pol Arnau Lahoz

UNA AVENTURA EN FAMÍLIA

TRACK PATH

1 MAZE

Find the word in one of the maze's tree, in the garden behind the Monastery, to continue the adventure.

2 LA LIRA

Find the word in the glass that you will find in La Lira to continue the adventure.

3 LOOK AT THE RIVER TER

Go down the stairs on the riverbed and find the milestone with the word of a colour.

4 LOCOMOTIVE

On the front of the locomotive you will see numbers in yellow, it's a mathematical subtraction. Do it. We'll give you three possible results:

☐ 275 (QUE) ☐ 210 (PER) ☐ 340 (SI)

5 CALATRAVA BRIDGE

Find a lock on the Calatrava bridge to follow the route.

6 DEvesa DEL PLÀ

It's time for a little break! Walk through the Devesa del Plà and playground.

7 MIRADOR DEL JUNYENT

At the end of Devesa del Pla you'll discover the mirador of Junyent. There you can get the next word written in a lock!

8 RAVAL BRIDGE

Find the word in the little garden under this old bridge.

9 VEDRUNA WALK

On the other side of the river, you will need to find red cubes. In the second cube you'll discover the next word of the riddle.

9 SUPERLÓPEZ

Find a lock near the SuperLópez's mural park. Write the word that you'll find.

Type here the word you will find at each point in the track path:
